

| Structure and Performance | Price (€) Excl. VAT |
|--|----------------------------|
| Carbon mast bulkhead and backward beam | 20 572 |
| Carbon fibre roof and associated bulkheads | 16 120 |
| Replacement of Standard fixed fins with carbon fibre daggerboards, (Water draft : 1.2m/2.3m) | 16 575 |
| 2 x 80cm hull extensions | 7 450 |
| Rigging | |
| Cruising Lorima fixed Carbon Mast with kelvar textile rigging (Mast specified for the sail plan recommended by the architect) | 48 470 |
| Lorima high modulus, rotating carbon mast including reinforcements for performance sails, capelage forward sails and Cunningham with kelvar textile standing rigging (Mast specified for the sail plan recommended by the architect) | 62 900 |
| Upgraded Mainsail (65,5m ²) + Self Tacking Solent (35.5m ²) in Hydranet Sailcloth from Incidence Sails | 9 485 |
| Staysail (J2) in Hydranet Sailcloth - 24.5m ² from Incidence Sails- | 2 390 |
| ORC (J3) in Hydranet Sailcloth - 17m ² from Incidence Sails | 1 875 |
| Code 0 (J0) in Stormlite Sailcloth - 69m ² from Incidence Sails | 4 150 |
| Fractional Gennaker (A0) in Stormlite Sailcloth - 80m ² from Incidence Sails | 4 810 |
| Fractional Asymetric Spinnaker (A4) - 120m ² from Incidence Sails | 4 735 |
| Lazy Bag from Incidence Sails | 1 100 |
| Kevlar Textile standing rigging for aluminum mast | 7 090 |
| Polyurethane paint for carbon crossbeams | 3 415 |
| Polyurethane paint on aluminium boom | 845 |
| Polyurethane paint on aluminium mast | 2 910 |
| Deck Hardware | |
| Addition of Genoa (Overlapping J1) hardware on a Stocker, including replacement of the self tacking system with a 3D trim adjustment kit on the roof, sheets and pulleys | 5 515 |
| Karver Staysail (J2) hardware on a fixed tack point, a 2:1 halyard, with flying furler | 3 785 |
| Karver ORC (J3) hardware on a fixed tack point, a 2:1 halyard, with flying furler | 3 580 |
| Karver Code Zero (J0) hardware on a 2:1 halyard and tackline, with flying furler | 3 835 |
| Karver Gennaker (A0) hardware on a 2:1 halyard and tackline, with flying furler | 4 185 |
| Aysmetric Fractionnal Spinnaker (A4) hardware | 2 055 |
| Additional Compact Andersen ST46 electric winch at mast foot | 4 640 |
| Additional Manuel Andersen winch ST46 at mast foot | 1 115 |
| Aluminium Davits painted white SWL: 200kg | 2 805 |

We are specialists in the semi-customisation of these catamarans, any further requests can be studied with respect to an acceptable load capacity for the boat.

Commissioning and Security

Price (€) Excl. VAT

| | |
|---|-------|
| Antifouling Nautix A88 M on a HPE primer | 2 900 |
| Docking Kit : 4 x 15 m Cleanline mooring sheets and 6 fenders + 2 ball buoy fenders | 960 |
| Mooring Kit : 20kg Spade anchor, swivel, 60m Ø10 chain | 1 625 |
| Tender Highfield UL310 Hypalon + 6hp outboard motor | 5 270 |
| Security kit (French regulation) for 6 persons, Full Category A (includes liferaft, epirb, portable VHF, life lines,) | 3 880 |
| Administration : Lorient registration and MMSI request (ANFR), excl. Customs tax | 750 |

Electricity and Electronics

| | |
|--|------------------|
| Monocrystalline Solar panels 660 Watts on davits | 4 920 |
| Additional AGM battery to upgrade capacity to 2x 230Ah, 12V | 1 125 |
| 2 x Super B Lithium batteries 210 Ah, in 12V | 7 835 |
| Shore Power Kit : 220V Dock Inlet + 40A battery charger + 220V 25m extension cord, galvanic insulator + 220v plug at the chart table and connection to water boilers | 2 350 |
| 2000W Inverter + Autosource Selector + 5 x 220V outlets (2 x aft cabin, 1 x chart table, 1 x saloon, 1 x galley) | 3 785 |
| JL Hifi System, 4 x 6,5" waterproof speakers (Bluetooth/USB) | 1 575 |
| Cruising NKE Electronics pack : navigation instruments, Speed, wind and depth sensors, autopilot, VHF, AIS, GPS/Chart plotter (Axiom 9") with Europe cartography | 22620 |
| Personalised "Performance" Electronic and/or cartography pack : Study on Demand | <i>On Demand</i> |

Comfort

| | |
|--|--------|
| Diesel heater (Wallas 30DT) for one hull, Forced air, three exits (Two in the hull , one in the saloon) | 4 995 |
| Additional hatches on front Plexiglass (LP03) | 940 |
| 1 x owner hull configuration, foward bathroom with a separate shower | 6 895 |
| 1 x additional forward single cabin replacing a sail locker | 4 730 |
| Watermaker 65 L/Hr capacity | 10 065 |
| 1 x Electric toilet instead of manual toilet | 990 |
| Custom 130 litre water-cooled Refrigerator | 3 900 |
| Deck shower on Port swim platform | 785 |
| Sea water pump in the kitchen | 570 |
