

Structure and Performance	Price in Euros (€) Ex VAT
Carbon mast bulkhead and backward beam	24300
Carbon Fibre roof and associated bulkheads	21 715
Replacement of Standard daggerboards with carbon fibre daggerboards, (Water draft : 1.2m/2.3m)	12 610
Rear Skirt Extensions (2 x 60 cm)	9 565
Sliding bay doors replaced with a PVC Textile door and watertight hatches in the stairwells	5595
Sails and Rigging	
Cruising Lorima fixed Carbon Mast with kelvar textile rigging (Mast specified for the sail plan recommended by the architecte)	77625
Lorima high modulus, rotating carbon mast including reinforcments for performance sails, capelage forward sails and Cunningham with kelvar textile standing rigging (Mast specified for the sail plan recommended by the architecte)	96 645
Replacement of Standard sails with a Mainsail (88m ²) + Genoa (J1 - 60m ²) in Hydranet Sailcloth from Incidence Sails	12450
Staysail (J2) in Hydranet Sailcloth from Incidence Sails- 37.8m ²	4010
ORC (J3) in Hydranet Sailcloth from Incidence Sails - 20m ²	2475
Code 0 (J0) in PX Black laminated Sailcloth from Incidence Sails - 87,5m ²	7585
Fractional Gennaker (A0) in Stormlite Sailcloth from Incidence Sails - 138m ²	7830
Fractional Asymetric Spinnaker with sock (A4) from Incidence Sails - 160 m ²	7445
Lazy Bag from Incidence Sails	1900
Kevlar Textile standing rigging lashed to the chainplate for aluminum mast	9360
Polyurethane paint for carbon crossbeam	3685
Polyurethane paint on aluminium boom	980
Polyurethane paint on aluminium mast	3250
Deck Hardware	
Upgraded Karver Genoa (J1) Stocker with a textile Stay	8 345
Karver Staysail (J2) hardware on a fixed tack point, a 2:1 halyard, with flying furler	4075
Karver ORC (J3) hardware on a fixed tack point, a 2:1 halyard, with flying furler	2900
Karver Code Zero (J0) hardware on a 2:1 tack point, a 2:1 halyard, with flying furler	4865
Karver Fractional Gennaker (A0) hardware on a 2:1 tack point, a 2:1 halyard, with flying furler	5440
Aysmetric Fractionnal Spinnaker (A4) hardware on a 1:1 halyard	2440
3D trim adjustment kit with transverse rail	5845
Aluminium Davits painted white - SWL: 200kg	2 805
Additional ST62 Compact Andersen electric winch at mast foot	4855
Additional manual Andersen winch ST62 at mast foot	1695

Commissioning and Security

Price in Euros (€) Ex VAT

Antifouling Nautix A88 M on a HPE primer	4 065
Docking Kit : 4 x 15 m Cleanline mooring sheets, 6 fenders and 2 ball buoy fenders	1 110
Tender Highfield UL310 Hypalon + 6HP Outboard	5 270
Mooring Kit : 25kg Spade anchor, swivel, 60m Ø10 chain	2 025
Security kit (french regulation) for 10 persons, Category A (includes liferaft, 1 x Epirb, 1 x portable VHF)	5 060
Administrative service : Lorient registration and MMSI request (ANFR) excluding French Customs charges	750

Electricity and Electronics

Monocrystalline Solar panels 990 watts on davits	7 490
3 x Super B Lithium batteries 210 Ah in 12V	11 750
Shore power kit : 220V Dock Inlet + 40A battery charger + 220V 25m extension cord, galvanic insulator + 220v plug at the chart table and connection to water boilers	2 350
2000W Inverter + Autosource selector + 7 x 220V outlets (4 x cabins, 1 x chart table, 1 x saloon, 1 x Galley)	3 785
JL Hifi System, 4 x 6,5" waterproof speakers (Bluetooth/USB)	1 575
Electric throttle controls at both helm stations - ZF	11 185
Cruising NKE Electronics pack : navigation instruments, Speed, wind and depth sensors, autopilot, VHF, AIS, GPS/Chart plotter (Axiom 9") with Europe cartography	22 620
<i>Personalised "Performance" Electronic and/or cartography pack : Study on Demand</i>	<i>On Demand</i>

Comfort

Diesel heater (Wallas 30DT) for one hull, Forced air, three exits (Two in the hull , one in the saloon)	4 995
2 x Additional hatches (LP03) in the front plexiglass	1 110
Owner's hull configuration, foward bathroom with separate shower	7 880
Watermaker 65L/Hr capacity	10 065
Compact 3 kg washing machine	1 825
1 x Electric toilet instead of manual toilet	990
Custom 230 litre water-cooled Refrigerator	4 355
Custom 130 litre Freezer	3 900
Deck shower on Port swim platform	785
Sea water pump in the kitchen	570
