

Options

Validity Sept 2021 - Sept 2022

We are specialists in the semi-customisation of these catamarans, any further requests can be studied with respect to an acceptable load capacity for the boat.

Structure and Performance

Price (€) Ex VAT

Carbon mast bulkhead and backward beam	27450
Carbon Fibre roof and associated bulkheads	24350
Replacing Standard daggerboards with carbon fibre daggerboards (Water Draft : 1.65 / 3.30m)	14370

Sails and Rigging

Fixed High modulus Lorima carbon mast including performance sail reinforcements, Cunningham, halyard lock reinforcement for the J2, J3 and J0 (2:1 halyards not possible) and kevlar textile standing rigging (Dimensioned for Sailplan recommended by the architect)	93900
Carbon Boom Lorima	20560
Staysail (J2) from Incidence Sails in ZZ Ultra hybrid sailcloth - 56m ²	10730
ORC (J3) from Incidence Sails in ZZ Ultra hybrid sailcloth - 29m ²	3075
Fractional Gennaker (A0) from Incidence Sails in Stormlite sailcloth - 150m ²	7550
Fractional Asymmetric Cruising Spinnaker (A6) from Incidence Sails - 240m ²	10730
Lazy Bag de Incidence Sails	2190
Textile standing rigging for aluminum mast	22645
Polyurethane paint for carbon crossbeam	4255
Polyurethane paint on aluminium boom	1535
Polyurethane paint on aluminium mast	5025

Deck Hardware

Karver Staysail (J2) Hardware on a Halyard Lock (with flying furler), 2:1 tackline	11 650
Karver ORC (J3) Hardware on a Halyard Lock (with flying furler), 2:1 tackline	6 985
Karver Fractional Gennaker (A0) Hardware on a Halyard Lock, 2:1 tackline and barber hauler (with flying furler)	14 410
Fractional Spinnaker (A6) Hardware	4485
Replacing Standard Mastfoot winch with a ST70.2 Harken central electric winch	5100
Additional ST50 manual Harken winch at mast foot	1750
Replacing Standard Primary Winches with electric equivalents (Harken ST80.3)	12035
Aluminium Davits painted black SWL: 200kg	3670

Security and Commissioning

Price (€) Ex VAT

Docking Kit : 4 x 20 m Cleanline mooring sheets, 6 fenders and 2 ball buoy fenders	1 265
Tender Highfield UL340 Hypalon + 9.9HP Outboard motor	7 490
Mooring Kit : 35kg Spade Anchor, swivel, Ø10 70m chain + 50m of mooring line	2 220
Security kit (french regulation) for 12 persons, Category A (includes liferaft, 1 x Epirb, 1 x portable VHF, Life Lines)	6 080
Antifouling Nautix A88 M	4 800
Administrative service. Lorient registration and MMSI request (ANFR) excluding French Customs charges	750

Electricity and Electronics

Solar panels 990 watts on davits	7 490
3 x 160 Ah Lithium Iron Phosphate (LFP) Batteries	13 750
Shore Power Kit : Dock 220V Inlet + 80A/24v battery charger + 220V extension cord + galvanic insulator + 220v plug at the chart table	3 350
24V/3500W Inverter + 220V autosource selector, 8 x 220V outlets (3 x cabins, 1 x chart table, 1 x saloon, 1x Galley, 1 x Portside, 1x Starboard)	4 340
JL Hifi System, 4 x 6,5" waterproof speakers (Bluetooth/USB)	1 575
Electric throttle controls at both helm stations - ZF	10 525
Cruising NKE Electronics pack : navigation instruments, Speed, wind and depth sensors, autopilot, VHF, AIS, GPS/Chart plotter (Axiom 9") with Europe cartography	22 620
<i>Personalised "Performance" Electronic and/or cartography pack : Study on Demand</i>	<i>On Demand</i>

Comfort

2 x Helm stations equipped with a steering wheel	<i>On Demand</i>
2 x Additional hatches (T03) in the front windshield	1 110
Owner's hull configuration, (Master cabin, Office and foward bathroom with separate shower)	8985
Furnished Skipper's Cabin in a forward saillocker (Toilet, Shower and washbasin)	10 100
Watermaker 105L/Hr	12 480
Diesel heater (Webasto) for one hull, Forced air, three exits (Two in the hull , one in the saloon)	5 750
Compact 3 kg washing machine	1 825
1 x Electric toilet instead of manual toilet	990
Custom 230 litre water-cooled Refrigerator	4 355
Custom Freezer (-18°C) 130 Litres	3 900
Electric sea water pump for kitchen	570
